

Lebenslauf

Name: Dr. med. Kai v. Harbou

Adresse: Bertha-von-Suttner-Str. 8
14469 Potsdam
E-mail: Kai@Harbou.com
Tel.: +49(0)331/20046200
Fax: +49(0) 331/200462019
Mobil: +49(0)173/7009215

Geburtsdatum: 30. Januar 1976 (Würzburg)

Ausbildung:

1982-1995 Schulausbildung
1995 Abitur Justus Liebig Gymnasium, Giessen
1996-1997 Studium der Biologie, Universität Würzburg
1997-2003 Medizinstudium, Universität Hamburg

1995-1996 Zivildienst, Deutsches Rotes Kreuz, Rettungsdienst, Giessen

Praktika / Klinische Famulaturen:

1997 Aesculap Inc., San Francisco
1998 Innere Medizin, Princess Grace Hospital, London
1999 Allgemein Chirurgie, Cliveden Hill Hospital, Melbourne
2001 MainGen GmbH (Biotech), Frankfurt am Main
2001 Traumatologie, Universität Hamburg
2001 Mikrobiologie, Universität Hamburg
2002 Kardiologie und Gastroenterologie, Kitasato University Hospital, Sagamihara, Japan
2002 Innere Medizin, Universität Hamburg
2002 Pädiatrie, Universitätskrankenhaus Eppendorf, Hamburg
2002 Kinderkardiologie und -neurology, Mount Sinai School of Medicine, New York
2003 Allgemein Chirurgie, Universitätsspital Zürich, Schweiz

Klinische Tätigkeiten:

- 07.2001-10.2002 Studentische Hilfskraft, Mikrobiologie
Chefarzt: Prof. Rainer Laufs
Abteilung für Mikrobiologie
Universitätskrankenhaus Hamburg-Eppendorf
Martinistr. 52, 22529 Hamburg, Germany
Telefon: +49 (40) 42803-3159
- 01.2004-02.2005 Research Fellow, Herzchirurgie
Chefarzt: Prof. David H. Adams
Department of Cardiothoracic Surgery
Mount Sinai Medical Center
1190 Fifth Avenue, New York City, NY 10029, USA
Telefon: +1 (212) 659 1360
- 06.2005-07.2006 Assistenzarzt Allgemein Chirurgie („surgical resident“)
Chefarzt: Prof. Robert Udelsman
Department of General Surgery
Yale-New Haven Medical Center
New Haven, CT, USA
Telefon: +1 (203) 785-2697

Lizenzen und Zertifikate:

- 1995 Rettungshelfer Ausbildung und Zertifizierung, Deutsches Rotes Kreuz, Giessen
- 1998 Ärztliche Vorprüfung (Physikum), Hamburg, Note gut
- 1999 1. Staatsexamen der Medizin, Hamburg
- 2002 2. Staatsexamen der Medizin, Hamburg
- 2003 3. Staatsexamen der Medizin, Gesamtnote: sehr gut
- 2003 Registration at the Board of Medicine of Hamburg No. B 7195
- 2003 Test of English as a Foreign Language (TOEFL)-Score 287 v. 300
- 2004 Institutional Review Board (IRB) Training and Certification, Mt. Sinai School of Medicine, New York
- 2004 Health Insurance Portability and Accountability Act (HIPPA) Training and Certification, Mt. Sinai School of Medicine, New York
- 2004 United States Medical Licensure Examination (USMLE) step 1 and 2
- 2004 USMLE Clinical Skills Assessment
- 2004 Advanced Cardiac Life Support Provider Training and Certification, Mt. Sinai School of Medicine, New York (valid until 10/31/2006)
- 2005 Educational Commission for Foreign Medical Graduates (ECFMG) Certification No. 0-663-004-0

2005	Test d'évaluation de Français (TEF), Academie Francaise, Paris, Score 766 out of 900
2006	Advanced Trauma Life Support Provider Training and Certification, Yale New Haven Hospital (valid until 10/31/2006)
2006	Medizinische Promotion (summa cum laude) Universitätskrankenhaus Eppendorf, Hamburg

Berufsbezogene Mitgliedschaften:

2001-	Médecins Sans Frontières
2003-2008	Ärztammer Hamburg
2004-	New York Society for Thoracic Surgery
2005-	American Medical Association
2005-	American College of Surgeons
2008-	Ärztammer Brandenburg

Hobbies:

Laufen (NYC Marathon 2004), Snowboarding, Tauchen (zertifizierter PADI Rescue Diver), Photographie, Klavier, Segeln, Golf

Wissenschaftliche Veröffentlichungen

Promotion:

von Harbou K. Quasispecies of the Hepatitis C virus under immunomodulatory and immunosuppressive therapy. Doktorarbeit (Thesis in Medicine) *summa cum laude*

Originalartikel:

1. S. Salzberg, F. Filsoufi, K.von Harbou, A. Gass, L. Aklog, D.H. Adams. High Risk Mitral Valve Surgery: Preoperative Hemodynamic Optimization with Nesiritide (BNP). *Submitted to Annals of Thoracic Surgery*
2. S. Salzberg, M. Lachat, K.von Harbou, G. Zünd, M. Turina. LVAD as bridge to Heart Transplantation in the setting of fixed pulmonary hypertension. *European Journal of Cardiothoracic Surgery (in press)*

3. K.von Harbou, S. Salzberg, F. Filsoufi, D.H. Adams. Cardiac Surgery in Patients infected with the Human Immunodeficiency Virus. *Submitted to Annals of Surgery*
4. S. Salzberg, F. Filsoufi, K.von Harbou, A. Anyanwu, D.H. Adams. Cardiac Surgery can be safely performed in patients with hepatic failure. *Submitted to the Annals of Thoracic Surgery*
5. Gehi, S. Salzberg, K.von Harbou, L. Aklog, D.H. Adams, F. Filsoufi. Modified maze procedure is an excellent treatment for patients undergoing mitral valve surgery. *Submitted to the American Journal of Cardiology*
6. M. Schroeter, K.von Harbou, B. Zoellner, M. Sterneck, P. Buggisch, B. Seegers, G. de Heer, R. Laufs, H.H. Feucht. Quasispecies evolution in hepatitis C virus after liver transplantation. *Submitted for Publication*
7. M. Schroeter, K.von Harbou, B. Zoellner, P. Buggisch, B. Seegers, G. de Heer, M. Sterneck, H.H. Feucht. Lack of quasispecies evolution in hepatitis C virus during response to therapy. *Submitted for Publication*

Abstracts & Präsentationen:

1. von Harbou K, Schröter M, Zöllner B, Buggisch P, Seegers B, de Heer G, Sterneck M, Laufs R, Feucht HH (2002) Lack of quasispecies evolution in hepatitis C virus during response to therapy. *Antiviral therapy 2002;7:L96*
2. von Harbou K, Schröter M, Zöllner B, Sterneck M, Buggisch P, Seegers B, de Heer G, Laufs R, Feucht HH (2003) Quasispecies evolution in hepatitis C virus after liver transplantation. *Presented at the 11th triennial international symposium on viral hepatitis and liver disease 2003, Sydney, Australia*
3. S. Salzberg, M. Lachat, E. Teitel, K.von Harbou, G. Zünd, M. Turina. LVAD as bridge to Heart Transplantation in the setting of fixed pulmonary hypertension. *Presented at the ASAIO Meeting on June 18th, 2004, Washington DC, USA*
4. F. Filsoufi, S. Salzberg, M. Goldman, K.von Harbou, L. Aklog, D.H. Adams. Tricuspid valve repair with the Edwards MC³ annuloplasty system: Early clinical results. *Presented at the Swiss Society of Cardiovascular Surgery, June 24th, 2004, Davos, Switzerland*
5. S. Salzberg, D.H. Adams, K.von Harbou, A. Gass, L. Aklog, A. Carpentier, F. Filsoufi. Preoperative optimization with Nesiritide (BNP) in high-risk mitral valve surgery. *Presented at the Swiss Society of Cardiovascular Surgery, June 24th, 2004, Davos, Switzerland*

6. F. Filsoufi, S. Salzberg, K.von Harbou, M. Goldman, David H. Adams. Tricuspid Valve Repair with the MC3 Annuloplasty system: Early Clinical Results. Presented at the Controversies in Adult Cardiac Surgery, October 7-8, Los Angeles, USA
7. S. Salzberg, F. Filsoufi, K.von Harbou, A. Gass, L. Aklog, D.H. Adams. Perioperative use of BNP in high-risk mitral valve surgery. *Presented at the Controversies in Adult Cardiac Surgery, October 7-8, Los Angeles, USA*
8. S. Salzberg, K.von Harbou, L. Aklog, A. Carpentier, D.H. Adams, F. Filsoufi. Left atrial modified maze procedure is an excellent treatment for patients undergoing mitral valve surgery. *Presented at the fall meeting of the New York Society of Thoracic Surgery, November 18, 2004, New York, USA*
9. S. Salzberg, K.von Harbou, L. Aklog, A. Carpentier, D.H. Adams, F. Filsoufi. Left atrial modified maze procedure is an excellent treatment for patients undergoing mitral valve surgery. *Presented at the 23rd Annual Symposium Clinical Update in Anesthesiology, January 16-23, 2005, Fajardo, Puerto Rico*
10. F. Filsoufi S. Salzberg, M. Goldman, K.von Harbou, L. Aklog, D.H. Adams. Tricuspid valve repair with the Edwards MC3 annuloplasty system: Early clinical results. *Presented at the American College of Cardiology Annual Scientific Session, March 4-6, 2005, Orlando, Florida*
